OBJECTIVE

Motivated and detail-oriented Computer Science graduate with hands-on experience in professional networking environments, web development, programming, and IT infrastructure. Seeking a dynamic role in a technology-driven organization where I can apply my skills in networking, software development, and system administration while continuing to grow as a versatile IT professional.

EDUCATION

National Institute Of Technology Silchar — Silchar, Assam, India
Bachelor of Science in Computer Science and Engineering — *July 2018 – June 2022*
  - CGPA = 7.13/10 [71.3%] (First Class)

Govt. Azizul Haque College — Bogura, Bangladesh
Higher Secondary Certificate (HSC): Science — *July 2015 – June 2017*
  - GPA = 5.00/5.00

Demajani S.M.R High School — Bogura, Bangladesh
Secondary School Certificate (SSC): Science — *January 2013 – March 2015*
  - GPA = 5.00/5.00

EXPERIENCE

XaaS Technology — April 2023 – April 2025
Officer (Web & IT) — *Bogura, Bangladesh*
  - Configured and maintained **MikroTik RouterOS** environments using MTCNA/MTCRE best practices.
  - Optimized network routing (OSPF) and implemented bandwidth control using Simple Queues and PCQ.
  - Managed full-stack web environments: Backend DBMS, SSL integration, and hosting security.
  - Provided troubleshooting for ISP connections, Mikrotik configuration, and local network infrastructure.

Satyendra Nath Bose Summer Internship — May 2021 – July 2021
Summer Intern — *NIT Silchar, Assam, India*
  - Developed and implemented an object detection system using Faster R-CNN.
  - Developed an object detection system using Faster R-CNN, PyTorch, and Anaconda.

Freelancer (Web & WordPress Projects) — 2020 – Present
Freelancer — *Remote*
  - Customized themes and plugins for clients using PHP, JavaScript, Elementor, and WooCommerce.
  - Worked with tools such as Elementor, WooCommerce, and Advanced Custom Fields to tailor websites to client requirements

CERTIFICATIONS

MikroTik Certified Routing Engineer (MTCRE) — Dec 2025
MikroTik Vendor Certification
  - Specialized in advanced routing: OSPF (multi-area), Static/Recursive routing, and Policy Based Routing (PBR).
  - Expertise in managing Point-to-Point (PtP) addressing and VPN tunnels over RouterOS.

MikroTik Certified Network Associate (MTCNA) — Dec 2025
MikroTik Vendor Certification
  - Proficient in RouterOS basics: Firewall Filter/NAT, DHCP, Bridging, Wireless, and Queue management (QoS).

Cisco Certified Network Associate (CCNA) - Training — Jan 2025 - Aug 2025
Cisco Networking Academy | NACTAR
  - Completed 3 of 3 semesters in CCNA certification training.
  - Comprehensive training in IP services, Switching, and Networking Fundamentals.
